REGION 5 DELEGATIONS MANUAL

Purpose. This transmittal provides material for the Region 5 Delegation Manual.

Explanation. This material reflects changes brought about by a reorganization. The Pesticides and Toxic Substances Branch, formerly of the Environmental Sciences Division, is now located in the new Waste, Pesticides and Toxics Division. All authorities formerly delegated to the Director, Environmental Sciences Division, are now delegated to the Director, Waste, Pesticides and Toxics Division.

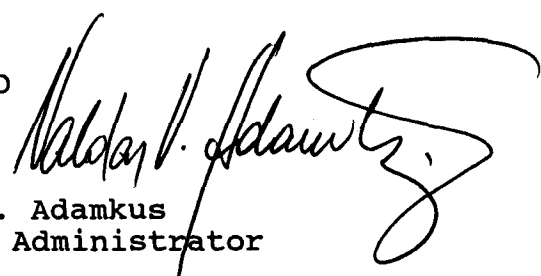

Filing Instructions. Post receipt of the transmittal on the checklist of EPA transmittals in the Regions 5 Delegations Manual.
